**Re: Dust Suppression for Emery County Road #9-27.**

Dear Mr. Nyffeler:

This letter is to be included with the "Notice of Intention to Commence Small Mining Operations" submitted by United States Gypsum Company on May 8, 1999. When active hauling is occurring out of the South Kimball Draw Quarry, US Gypsum intends to provide dust suppression for Emery County Road #9-27 (Kimball Draw/Cat Canyon Road) in the areas adjacent to the pictograph panel located in Section 22, T23S, R8E, SLBM, Emery County, Utah. This dust suppressant shall be Magnesium Chloride or any other substance deemed suitable by the Emery County Roads Department and the BLM.

If you have any questions, please call Bryan Tilley at (435) 896-2450.

Since ely,

  
Lee Taylor  
Plant Manager
